

# Leandro Ezequiel NAHABEDIAN

## PERSONAL INFORMATION

---

PLACE AND DATE OF BIRTH: Buenos Aires, Argentina | 07 October 1988  
NATIONALITY: Argentine  
GENDER: Male  
PHONE: +54 11 3779-5599  
EMAIL: [leanahabedian@gmail.com](mailto:leanahabedian@gmail.com)

## EDUCATION

---

NOVEMBER 2014 Master in COMPUTER SCIENCE, **Universidad de Buenos Aires**  
Thesis: "Hot-control: A technique for generate and automatically update discrete controllers" | Advisor: Prof. Nicolas R. D'IPPOLITO  
  
AUGUST 2013 Bachelor in COMPUTER SCIENCE, **Universidad de Buenos Aires**  
Original Name: "Analista universitario en Computación"

## ACADEMIC EXPERIENCE

---

MAR 2014 | Research assistant in software engineering at NATIONAL INSTITUTE OF INFORMATICS, Japan  
JUN 2014 | *Topic: Controller synthesis with a focus on self-adaptive software*  
I developed a new feature in the MTSA tool so as to build controllers for systems, that allow the change of the environment and satisfy new requirements without rebooting the machine. This internship was held in Tokyo, Japan, and supervised by Ph.D. Nicolás D'Ippolito and Ph.D. Kenji Tei.  
The tool MTSA was developed in JAVA and you can download it in <http://sourceforge.net/projects/mtsa>

## INDUSTRY EXPERIENCE

---

*Current* | Project Leader at MINISTRY OF INTERIOR, Argentina  
NOV 2011 | *Project Leader / Python Developer*  
The assignment of time that each media outlet will give to each political party for the 2013 and 2015 Argentine elections was my responsibility. It was difficult to distribute the media outlet time because we had to ensure some restrictions about the maximum and the minimum amount of time we had to give to each political party.  
Before becoming project leader I worked on this project and others by writing PYTHON code. For instance, I had to handle transactions made by using the SUBE (Sistema Único de Boleto Electrónico) card. Is the card used for traveling in train, subway or bus in Argentina. These cards generates a lot of records that we had to manage properly so as to generate some reports weekly, monthly and yearly.  
MAY-OCT 2012

## SCHOLARSHIPS AND CERTIFICATES

---

SEPT. 2006 | Scholarship for graduate students with an outstanding curriculum (€30,000)  
JUNE 2006 | GMAT®

## LANGUAGES

---

ITALIAN: Mothertongue  
ENGLISH: Fluent  
FRENCH: Basic Knowledge

## INTERESTS AND ACTIVITIES

---

Technology, Open-Source, Programming

Paradoxes in Decision Making, Psychoanalysis, Behavioural Finance

Football, Travelling
